

# In-Class Exercise 1: Initial Letter

On a sheet of 8 1/2 x 11" paper, draw a large single letter (G, H, Y, etc. Use the first letter of your first name or the first letter of your last name). Make it large and make sure it is thick enough to allow you to write some text inside it.

Inside the letter tell me something about yourself (what you did this past holiday, what things you like to do, your family background, etc.). Also tell me what you hope to learn about in this course.

Outside the letter (and inside its interior space if your letter is an O) create a pattern that fills the space.
